

## Information on the rehearsal weekend for the B minor Mass under the musical direction of Ophiel Maarten van Leer 30 September to 3 October, Haus Wasserburg Vallendar

*Register now and immerse yourself in the great music of J.S.Bach! You are welcome as a singer or orchestra musician!*

*We are rehearsing for the performance of the b minor Mass in Cologne, Germany, probably in May 2023 (exact place and date to follow). You do not have to make a binding decision for this performance to take part in our rehearsal weekend.*

Vallendar is located on the Rhine in the immediate vicinity of Koblenz. Choir and orchestra rehearse from Friday evening to Monday morning, followed by a workshop performance of the choral pieces.

Haus Wasserburg, our rehearsal location, is run as an educational center for young people and adults by members of the Pallottine Order. We were able to reserve the entire house with the guest rooms for our rehearsal weekend. Accommodation and meals are basic, somewhat hostel-like.

Accommodation is in shared rooms, a few double rooms are also available.

**If you don't have any choral sheet music yet, you should get the BÄRENREITER URTEXT piano reduction, J.S.Bach Mass in B minor BWV 232.**

**The instrumentalists receive the sheet music from us!**
